

MEETING MINUTES

FREMONT ENERGY COMMITTEE

TOWN OF FREMONT

January 20, 2015

Attendees

Gene Cordes

Cindy Crane

Cheryl Rowell

- Welcome Everyone
- Updates
 - Solar possibilities at land fill site
 - Andrew Keller of Solar Garden has already been by land fill
 - would do a lease arrangement with the town
 - he is getting our bills, so know the useage
 - create concept and then present to Selectmen (Gene will let us know when this will be)
 - Town Hall heat replacement project
 - Selectmen have hired Integrated Engineering Systems (mechanical engineers) to design a HVAC system for the town hall
 - Early March time frame
 - RGGI funding
 - opportunity to send an email to congressman to keep RGGI funding – we have used the grants in town to insulate the Safety Complex
 - Annual report
 - Cindy has written – reviewed and accepted
 - 2015 Meeting schedule
 - reviewed – see attached

Next meeting will be February 17, 2015 at 7 PM at the Fremont Town Hall first floor
