MEETING DATE: June 9, 2020

SJP

Included in the packet:

Balance Sheet as of May 31, 2020

Financial Statement (expenses) through June 4, 2020

Projected Fund Balance for June 30, 2020

Highlights of FY20 Include:

Financial:

1. **Converted default budget to operating budget:** We received the default budget for FY20. There were many hours spent converting this to the operating budget needed to operate the school
2. **FY21 Budget Process:** We worked closely with Sanborn and the Budget Committee to put together a budget that would be accepted by the Fremont community and support the learners of Fremont.
3. **Audit:** This process went smoothly this year; the auditors were here for approximately four days and few changes were made.
4. **Fund Balance:** \$52,388 was returned to help offset the November tax rate; in addition \$200,000 was added to the Maintenance Trust Fund.
5. **High School Committee:** The High School Committee was formed; we visited 6 area high schools. We analyzed the top priorities of parents and other community members.

Facilities:

1. Point of Entry water treatment for PFAS/PFOA was installed.
2. The vestibule and security camera project was completed; the second phase of the security camera project was completed this spring.
3. All 3 phases of the roof have been completed. The 1st phase was very problematic; however, the warranty was issued.
4. School parking lot was newly paved, seal-coated and striped.
5. A set of exterior doors were replaced; the security film will be installed by the end of summer.
6. HVAC controllers will be updated by the end of June.
7. We are working with the Turner Group to design and plan for a new HVAC system for the building.
8. Paul, Ruth, Frank, and Jim have done an amazing job of sanitizing and cleaning the building during the COVID-19 pandemic.
9. A sanitizer has been ordered.

Respectfully submitted,
Susan Penny
