Sewage Disposal Systems
Local Approval Required Prior to Submission

Fremont is one of the communities that require local approval prior to submission to the Department of Environmental Services (DES) for all Sewage Disposal Systems.

The specific review requirements and any pertinent required notes which are to be included on the plan (s) are fully outlined in the Fremont Sewage Disposal Application Form.

A list of communities requiring local review and approval of septic design plans prior to submission to DES can be viewed at www.des.state.nh.us/ssb/townapproval.htm.
