

Glen Oakes Town Forest Expansion

Fee Simple Acquisition of 23.96 Acres of Land

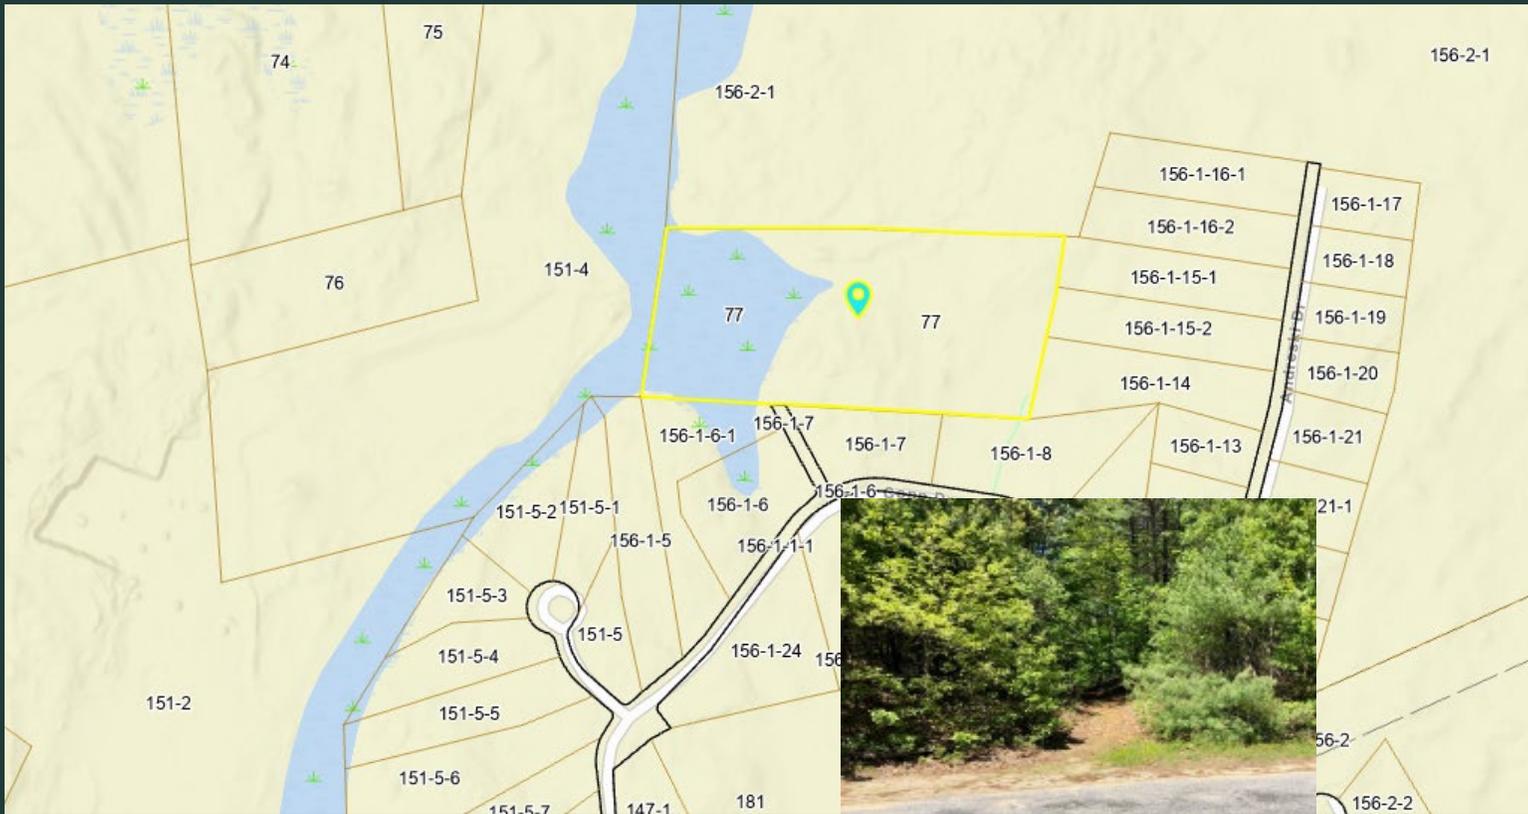

Fremont NH Parcel Map 4, Lot 77 (off Copp Drive)

Executive Summary

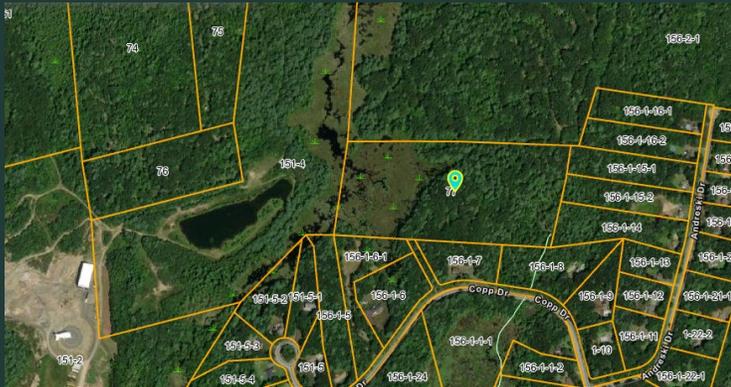

- 24-Acre parcel – Southern end of Glen Oakes Town Forest and Spruce Swamp
- Town has a Conservation Easement acquired with property purchases in 2005
- 8 acres of Spruce Swamp (exemplary fen ecosystem) 16 acres of forested upland critical buffer to Fremont drinking water aquifer
- Threat - Residential development allowed under Reserved Rights of the existing Conservation Easement
- Owners have offered Town of Fremont 1st refusal.
- Limited opportunity to expand the 300+ acres of Glen Oakes Town Forest for recreation and protection of natural resources via property acquisition – one of few large parcels remaining.
- A successful project will permanently eliminate the threat of development of this parcel.
