Re: Brentwood Dam

To Whom It May Concern:

Of Counsel:
SAMUEL R. REID

Please allow this to invite you to a meeting with Mr. Inoue, principal of Brentwood Dam Ventures, LLC (the "Company"), myself as counsel for the Company, and certain DES officials. The representatives of DES that will be most likely present include Charlie Krautmann (Dam Safety Engineer), Jim Gallagher (Chief Engineer of the Dam Bureau), Steve Doyon (Dam Safety and Inspection Administrator) and Bill Thomas (Dam Removal Coordinator). DES legal counsel may be present as well.

The meeting will be held at 4:00 p.m. on July 14, 2017 here at my office in Portsmouth. The purpose is to discuss various options, including the sale of the dam to one or more abutters, as well as the likely removal of the dam if a sale does not occur. Please RSVP by contacting my assistant Diane Warwick at 766-9114 by Wednesday, July 12th so we may make the appropriate logistical arrangements.

If you have any questions in the meantime, please contact me. Thank you.

Yours truly,

Stephen H. Roberts
