BY: *[Signature]*

- ☐ N - Provide a parking areas and access plan sufficient for review to insure compliance to applicable standards as set forth in this document.
- ☐ N - 1 The location, size, direction of travel and, if appropriate, curbing, paving, and radii of existing and proposed streets, driveways, access ways and sidewalks within the site and its relationship to the off-site system.
- ☒ N- 2 The size, location and layout of all on-site parking, loading facilities and snow storage areas. The methods and actuals used to provide for directing of traffic patterns and parking.
- ☐ O - Provide a landscaping plan sufficient for review to insure compliance to applicable standards as set forth in this document. The location, type and size of all proposed landscaping and screening as well as a plan for the retention of existing and significant natural features on the site.
- ☐ P - Provide a storm drainage plan, performed by a registered professional engineer, including a plan for the detention and slow release of storm water where necessary, together with supporting calculations. Reference section 1.16.
- ☐ Q - Provide plans for erosion and sediment control. No site plan shall be approved without plans for erosion and sediment control unless a written waiver is applied for and approved by the Planning Board.
- ☐ R- Provide mitigation strategies for all nuisance elements: ie: odor, noise, light, visual effects
- ☐ S - Provide general information and site plan format on all plats:
- ☐ 1. Proposed site name, name of property owner of record and reference numbers *Quincy Clark Deal*
 - ☐ 2. Name, address and phone number of sub-divider and surveyor or engineer
 - ☐ 3. Date, north point, plat revision, property map references and reference numbers
 - ☐ 4. Names and addresses of owners of abutting properties
 - ☐ 5. Location and exact dimensions of all property lines
 - ☐ 6. Location, name and width of all existing and proposed streets, rights-of-way, or easements
 - ☐ A. Minor: Existing streets, rights-of-way or easements only.
 - ☐ 7. Sheet size in conformance with the requirements of the Rockingham County Register of Deeds. A margin of at least one inch shall be provided outside ruled border lines on three sides and at least two inches along the left side, or as required by the Register of Deeds
 - ☐ 8. A scale of not less than one (1) inch equals one hundred (100) feet.
 - ☐ A. Minor: Must be to scale; applicant may choose the scale.
 - ☐ 9. Space for the Planning Board Chairman and Secretary to sign and date the approved plans
 - ☐ 10. Tax map and parcel number, title and deed reference

BY:

- ☐ 11. A locus map (no smaller than one (1) inch equals one thousand (1000) feet showing the location of the site in relation to the surrounding public street system and the zoning districts and boundaries for the site and the area within one thousand (1,000) feet of the site.
- ☐ 12. Area, in acres and square feet, of the entire site of proposed site prior to development. Acreage, square feet and percentage of total area for the following segments of information; Total area, area left in natural state, area of wetlands, recreation area and area used
- ☐ 13. Area, in acres and square feet, of each proposed site/lot. Acreage, square feet and percentage of total area for the following segments of information; Total area, area left in natural state, area of wetlands, and area used
- ☐ 14. Clear delineation of wetlands and watershed protection districts peripheral area must be provided.
- ☐ 14.1 Major only: Wetlands shall be delineated by a NH Licensed Wetland Scientist or Soil Scientist.
- ☐ 15. Iron rods, pipes, pins or drill holes must be so noted and placed at all lot corners and angle changes
- ☐ 16. Location of all land intended for public use and any conditions on such use.
- ☐ ☐ 17. Specify the number and type of non-residential units.
☐ ☐ Minor = one (1): Major = two (2) or more
- ☐ ☐ 18. Specify the water sources to be designated for fire protection and control. Define the adequacy of water supply for fire protection.
- ☐ ☐ 19. Hours of operation

☐ T- Provide Traffic Impact Analysis

All proposed site plans shall be reviewed by the Planning Board to ascertain that adequate provisions have been made by the owner/agent for traffic safety and congestion. To facilitate this review, the Planning Board may require the developer to provide a full traffic impact analysis when deemed necessary by the Board due to the size, location or traffic-generating characteristics of the proposal.

Traffic impact analysis shall address each of the following:

- Traffic circulation and access, including adequacy of adjacent street and intersections, entrances and exits, traffic flow, sight distances, accident statistics, curb cuts, turning lanes and existing or recommended traffic signals.
- Pedestrian safety and access.
- Off-street parking and loading.
- Emergency vehicle access.
- Snow removal adequacy.

No site plan shall be approved without a traffic impact study and analyses unless a

written waiver is applied for and approved by the Planning Board.

- ☐ ☐ U - The size and location of all public and private utilities including water lines, sewage facilities, gas lines, power lines, telephone lines, fire alarms connections, and other utilities.
- ☐ ☐ V - The location, size and design of proposed signs and other advertising or instructional devices.
- ☐ ☐ W - The location, type and design of outdoor lighting. ~
- ☐ X - Construction details, including but not limited to pavement, walks, steps, curbing, drainage and structures, fire hydrants, and erosion and sedimentation control techniques.
- ☐ Y - Other exhibits or data that the Planning Board required in order to evaluate adequately the proposed development; such as but not limited to:
 1. Information on the composition and quantity of wastewater generated.
 2. Information on air, water, or land pollutants, discharged
 3. Estimates of noise generations
 4. Special Submissions - Erosion and Sediment Control Plans
 5. Listing of all amounts and description of liquids, inflammables, and/or chemicals.
 6. A fiscal study/data relative to the potential impact too the Town may be required during the review process. Special provisions and/or plans may be required if found to bear a financial impact on the Town.

- [] **SUBMIT: A TYPED ABUTTERS MAILING LIST.** You are responsible for the accuracy of this list.
- [] Submit: **APPENDIX "B" CHECK LIST FOR PREPARING SITE PLAN REVIEW APPLICATION**

Please insure that your application supports the PURPOSES as noted in the **SITE REVIEW** Regulations. And that you have read, understand and complied with all aspects of the regulations. If you so desire, an opportunity for a **PRE-APPLICATION WORK SESSION** can be scheduled.
