

**TOWN OF FREMONT NEW HAMPSHIRE
EARTH REMOVAL PERMIT APPLICATION**
(New, Renewal, Reclamation)

This entire form must be completed with questions answered in square footage, acreage, etc. ("see plan" is not acceptable) and relevant documents provided, including an updated abutters list, or the renewal may be delayed or denied.

RENEWAL: The application must be signed by the actual owners and must be received by the Planning Board no later than ninety (90) days prior to the expiration date if the excavation is to be continued beyond the termination date.

The renewal application must identify and adjust all information contained in the original application that is no longer effective for the renewal period.

If this is a new application: Submit completed application together with fees and additional required information via certified mail to:

Town of Fremont Planning Board, PO Box 120, Fremont, NH 03044

Renewal applications can be sent via regular mail or walked in to the Land Use Office.

Excavation Regulation 14.2

Surety of a minimum of one thousand (\$1000.00) dollars will be required for engineer review as deemed necessary by the regulators. This amount is to be held in escrow and will not be used for payment of any fees, but will be released to the owner at such time as the excavation pit is completely finished and reclaimed.

Map #_____, Lot #_____

Pursuant to RSA 155-E, the following application must be submitted to the Regulator to obtain an Excavation Permit. Prior to issuance of a Permit, the Regulator shall determine that the provisions of RSA 155-E, these Regulations and any other applicable regulations or ordinances are met.

Applicants qualifying under the exemption provisions of RSA 155-E: 2 and filing the reclamation plan pursuant to RSA 155-E: 5 are to utilize this form noting the intent of this application.

1. Intent of Application

Excavation Permit _____ Reclamation Plan Submittal _____
Permit Renewal _____

2. Date of Submission _____

3. Name of Property Owner _____
Address (mailing) _____
Contact # _____

4. Name of Applicant/Contractor _____
(person actually doing the excavation)

Address (mailing) _____
Contact # _____

5. Location of proposed/existing excavation (municipality, nearest roads, other locational information)____

6. Type of material to be removed. _____
(gravel, loam, top soil, clay, stone, etc.)
A. Type of material removed during the last year. _____

7. Area of land to be excavated: _____
(if excavated area is in excess of one (1) acre, topographical map illustrating area to be excavated must be provided)
A. Area excavated during the last year. _____

B. Area to be excavated during the next year. _____

8. Total estimated volume to be excavated: _____
(in cubic yards)
A. Total volume excavated during the last year. _____
(in cubic yards)
B. Total volume to be excavated in the next year. _____

9. Removal schedule: _____

10. Description of the breadth, depth and slope of proposed excavation:

11. Elevation of the highest annual average ground water table within and next to the proposed excavation: _____

12. Access to public highways:
a. Detailed plan to be provided by proposed excavator indicating position of entry to public highway.
b. If access to public highway is to be across land other than that owned by permit applicant, the following must be provided:
1. Plan for proposed access indicating distances from dwellings, other buildings, water wells and sanitary systems.
2. Notarized signed permission from owner (s) of land to be used for access.

13. Copies of all local, state and federal permits required and obtained. Permits include, but are not limited to the following:
(a) WSPCD (RSA 485-A:17, RSA 148:5-a)
(b) Wetland Board (RSA 483-A)
(c) State Highway Department (Access Permit, RSA 249:13-18)
(d) State Pit Agreement (per NHDOT Standards Specifications for Road and Bridge Construction, Section 106)
(e) Army Corps of Engineers Dredge & Fill Permit
(f) Discussions with Wetlands Board

14. Excavation Plan: six (6) full size sets of the plan, and eight (8) 11' x 17' sets of the plan, at least two (2) of which are colored.
15. Reclamation and Restoration Plan – with timetable: six (6) full size sets of the plan, and eight (8) 11' x 17' sets of the plan, at least two (2) of which are colored.
16. Proposed bond by applicant to cover restoration.
(this may be changed by the regulator)
17. Hauling Information:
 - a. Routes to be utilized
 - b. Frequency of truck traffic over routes
 - c. Size and weight of trucks used
18. Tax Map and Lot number, name and address of all abutters (see definition). Names must be current, based on town records, five (5) days prior to the submission of the application. (List below or attach separate sheet and show clearly on plan).
19. Application Fees--See "Town of Fremont Fee Schedule".
20. Permit
21. Hours of operation _____

An application for permit renewal must be submitted to the Regulator by the owner if excavations are to be continued beyond the termination date. The renewal application must identify and adjust all information contained in the original application that is no longer effective for the renewal period.

TEST PITS: At least one test pit is required to demonstrate that work being performed on the site is consistent with the approved excavation and properly maintains required depth to seasonal high groundwater (ESHW), more than one test pit might be required if the owner's Engineer believes it is necessary. Test pits are witnessed by the Code Enforcement Officer or Planning Board designee. A test pit report is to be submitted with each excavation permit renewal application. In cases where it is not practical to do a test pit (ie; ledge outcroppings) a benchmark which shows the seasonal high water table in the adjoining areas and demonstrates compliance with the four (4) feet above the seasonal high water table (eight (8) feet if the property is in the Aquifer Protection District) would be an acceptable alternative to digging test pits.

This is to certify that the information contained in this Application is complete and true to the best of my knowledge.

This Application must be signed by the current owner of the property.
