

A Visit With Nathaniel Hawthorne

A Free Presentation by

Merrill Kohlhauser

Tuesday, April 9 @ 7:00 PM

Nathaniel Hawthorne is best remembered as the author of *A Scarlet Letter*, published in 1850, but his life, times, and struggles to be a writer make his life more interesting than many books. Brought to life by Mr. Kohlhauser, this presentation from the New Hampshire Humanities to Go is jointly sponsored by the Fremont Historical Society and the Friends of the Fremont Library
