FREMONT POLICE NEWS

On Thursday January 26, 2023 members of the Police Department joined the Select Board's meeting for their Annual Awards Presentation.

The recipients for the awards included:

Officer Boissonneault - 10-year Honorable Service Award
ACO Renee King - 15-year Honorable Service Award
Sgt. Michael Buckley - Military Service Award & Educational Achievement Award
Officer Tien Le - Military Service Award
Officer Bailey Nasser - Educational Service Award
Officer Rui Barbosa - Exceptional Service Award & Officer of the Year Award

Chief Twiss recognized the training officers have attended and their accomplishments and actions in the line of duty for the Town. He noted Active Shooter Training, Firearm Training and the LEAD Program.

Sgt. Buckley made a presentation to Ellis School Principal Brigid Connelly for her cooperation as the School and the Department work together on a wide variety of training and safety matters.

The Friends of the Fremont Library are all volunteers that advocate for the library. Our Friends group applies for grants from the NH Humanities council in order to bring some programming to the library. We brainstorm

ways to sponsor fundraisers in an effort to provide some items on the library's wish list. It's a great opportunity to get out in the community and meet new people.

If you are interested in joining the Friends please call the Library at 603 895 9543 or visit our link on the Library Page at fremont.nh.gov where you can download the membership form.

FREE KNIT WINTER HATS!

There is a box of winter hats at the entry of the Fremont Town Hall. These are for anyone who needs one! The skill and generosity of Fremont knitters, and a donation from the knitters at the RayFre Senior Center in Raymond makes this possible.

If you need one, please help yourself. If you cannot get to the Town Hall, contact the Select Board's Office or the Food Pantry to get one. We have plenty of colors to choose from!

ALWAYS WATCH OUT FOR SCAMS

Scams related to the Turkey – Syria earthquake.

With two earthquakes occurring in Turkey and Syria cybercriminals have already begun exploiting this event to try to scam you and steal your sensitive information. In the coming weeks expect to see an influx of phishing attacks referring to this event. Cybercriminals may send phishing emails with links asking you to donate money or view “exclusive” videos. Clicking these links could allow cybercriminals to steal your sensitive information or install malware on your device. (Information from Knowb4.com)

Follow these tips to stay safe from these types of scams:

1. Avoid making donations to unknown users.
2. Think before you click. Cyberattacks are designed to catch you off guard.
3. Stay informed and if you see a sensational headline, research the story to verify it's true.

ELIMINATING THE RISK OF CARBON MONOXIDE POISONING IN YOUR HOME

Fire departments respond to many New Hampshire households for CO concerns each year. That is why CO alarms are so important. Infants, elderly people, unborn babies, and people with anemia or with a history of heart or respiratory disease can be especially susceptible. Symptoms of CO poisoning may include headache, dizziness, weakness, nausea, vomiting, sleepiness, and confusion. Do not ignore symptoms, particularly if more than one person is feeling them. Marshal Degnan warns,

“If you suspect CO poisoning, get outside to fresh air immediately, and then call 911.”

Techniques to reduce the risk of CO poisoning in your home when using fuel-burning devices include:

- Have a trained professional inspect, clean, and tune-up central heating system (furnaces, flues, and chimneys) annually. Repair any leaks promptly.
- Install CO alarm(s) with battery backup outside of sleeping areas.
- Test your CO alarm(s) frequently and replace dead batteries.
- Do not use a gas oven to heat your home, even for a short time.
- Keep gas appliances properly adjusted.
- Do not use any gasoline-powered engines, such as portable generators, in enclosed spaces, including your garage, and locate them at least 10 feet from your house with the exhaust facing away from the building.
- Do not idle your vehicle inside a garage.
- Do not sleep in any room with an unvented gas or kerosene space heater.
- Make certain that doors on all wood stoves fit tightly.

For more information visit the websites www.nh.gov/co, www.nfpa.org, or contact the NH Fire Marshal's Office at FMO@dos.nh.gov.

You can also contact the Fremont Fire Rescue Department at 603 895 9634. In an EMERGENCY, dial 911

RECYCLE BEYOND the BAG

Recycle your household bags & wrap in Trex's Earth-friendly composite decking and railing!

PLASTIC grocery bags, bread bags, case overwrap, dry cleaning bags, newspaper sleeves, ice bags, wood pellet bags, zip lock & other re-sealable bags, produce bags, bubble wrap, salt bags, and cereal bags can be recycled at the front of Town Hall.
All materials must be clean, dry and free of food residue.

WINTER PARKING BAN

According to the Town of Fremont Parking Ordinance:
It shall be unlawful for any person to stop, stand or park a motor vehicle at any time contrary to any of the following provisions of this Section unless otherwise directed by a Police Officer.

1. Within the Town of Fremont, from November 15 to April 1, no parking is permitted on any public street or any town-owned right of way, or in any town-owned parking lot between 12:00 midnight and 6:00 am.
2. In the event of a winter snowstorm requiring snow plowing and/or removal as deemed necessary by the Fremont Road Agent, it shall be unlawful for any person having custody and/or control of any vehicle to park or cause the same to be parked within the public right of way during a snowstorm. Vehicles interfering with snow plowing or removal operations shall be towed at the owner's expense.

SNOW REMOVAL ORDINANCE

The purpose of the Ordinance is to establish safe and reasonable regulations regarding the removal of snow from private property for the protection of life and property on any public way in the Town of Fremont.

BASIC RULE It shall be unlawful for any person or corporation engaged in the operation of snow plowing, snow blowing, or snow removal to cause any accumulation of snow to obstruct or impair any tow-maintained street, roadway, sidewalk, parking lot or right of way.

WINTER MAINTENANCE & MAILBOX/STRUCTURES POLICY

INTRODUCTION: The Town of Fremont maintains all Town roads and public parking lots in the Town. The Town generally has a 13-foot right-of-way on either side of the travel way on all Town Roads.

This right-of-way area is shared with residents to the degree that the US Postal Service will not deliver mail to delivery boxes that do not meet current postal specifications.

The Town does provide educational material and reminders that no structures should be placed within the Town's right-of-way. This includes stone walls, landscaping and landscaping structures, irrigation systems and the like.

PURPOSE: Occasionally mailboxes, which infringe on the Town's right-of-way, are damaged by snow plowing operations due to poor visibility, the mailbox being buried in a snowbank, or the weight/volume/consistency of the snow being plowed. This damage is not deliberate and in most cases is unavoidable.

POLICY: The Town of Fremont is not responsible for damage and does not repair, replace or re-erect mailboxes that are located within the Highway right-of-way. These installations are often located within the highway limits and are the responsibility of the property owner.

In addition, both during and after storms, there is no way to prevent depositing snow in previously cleaned driveways or walkways. This cannot be a concern for plow operators while performing the assigned task of snow removal from the roads.

ROCKINGHAM NUTRITION & MEALS ON WHEELS

Ray-Fre Senior Center
64 Main Street

603 895 3258

Luncheons

Served Tuesday & Thursday. Join us in the Ray-Fre Senior Center to eat a healthy meal and meet new people. Call (603) 895-3258 to reserve your seat. Reservations are required 48 hours in advance, see nearest location for phone numbers. A donation of \$3.00 per meal is suggested, but not required.

Home Meal Delivery

Finding eating right a concern? We offer home delivery of meals. It may be a good option for you. With just a phone call to us, we will schedule a home visit or phone call (during Covid-19) with one of our local program managers. If a good fit, we can have the meals delivered within a few days. Special diets are available. A contribution of \$3.00 per meal is suggested, but not required. Meals can be for a short while, or a longer time, depending on your own situation.

Transportation

We have transportation for adults 60 years of age and older available at several of our locations. Over 300 people currently ride with us. Rides are available from your home to the local luncheon or community center. There is also grocery, and other shopping trips, and rides to medical appointments.

Reservations are required, see the transportation page for phone numbers. Contributions for rides are accepted, but not required.

NEW HAMPSHIRE FUEL & ENERGY ASSISTANCE PROGRAM

The Fuel Assistance Program provides grant benefits from \$304 to \$3,024 for heating purposes that do not have to be repaid to eligible homeowners and renters for the winter season as follows:

If your heat is electric or natural gas, bills from November 1st can be paid until your benefit amount is used up or the program year ends.

If your heat is from deliverable fuels, oil, kerosene, propane, wood or coal, deliveries made from October 1st – April 30th can be paid until your benefit amount is used up or the program year ends.

If your heat is included in your rent and is NOT subsidized, assistance will be provided in the form of heating vouchers issued in amounts of up to \$504 each month until your benefit amount is used up or the program year ends.

**If your heat is included in your rent and IS subsidized, you will not qualify for Fuel Assistance, but you may qualify for Electric Assistance.*

The legislature recently approved \$25 million in State General Funds for the State Emergency Fuel Assistance Program (SEFAP) and \$10 million in General Funds for the State Supplemental Electric Benefit Programs (SSEBP). Southern New Hampshire Services, the Community Action Program administering the funding for the State program for District Three, encourages all District Three residents who believe they might be at or below 75% of State Median Income to apply - disbursements are anticipated for December.

Any residents who apply and are below the 60% State Median Income will be enrolled in the Fuel Assistance Program (FAP). Any residents who apply and are between 61% - 75% State Median Income, which does not meet the regular fuel assistance guidelines, will be in the system and ready to be enrolled in the new Emergency State Program with a benefit being paid out as early as December.

SOUTHERN NH SERVICES www.snhs.org

**The Fuel Assistance Program application deadline is
April 30, 2023.**

Southern NH Services is the Community Action Program for District Three/Rockingham County. Apply online or visit one of the five SNHS offices for electric assistance, fuel assistance, weatherization assistance.

EVERSOURCE Press Release

This winter, the cost of natural gas and electricity and all other home heating fuels continue to be high for people across the state including Eversource customers due to increased global demand for gas and electricity.

On February 1, an average customer that uses 600 kWh per month and has Eversource as their energy supplier, will see a **decrease** in the total bill by approximately **5.5% or \$11**.

This is a result of the decrease in the energy supply rate from **\$0.22566 to \$0.20221** per kWh and an adjustment to the Stranded Cost Recovery Charge from **\$0.00273 to \$0.00718*** per kWh. The energy supply cost continues to be the most significant factor impacting customers' total monthly bills.

In New Hampshire, the energy supply price changes twice a year (February 1 to August 1) representing the cost that Eversource pays generators for the power that customers use. Eversource only charges customers what it pays generators for producing the power – it does not earn a profit on the cost of electricity.

How much a customer pays will ultimately depend on how much energy is used, their rate category, and weather conditions. All Eversource customers have the option to buy their power from state-approved retail suppliers or to receive the energy company's Default Service Rate. Customers can find out more information about retail suppliers rates at the Department of Energy's website.

**Subject to regulatory approval (NH Public Utilities Commission)*

**Consumers can also search the NH PUC website for
