COME VISIT THE FREMONT HISTORIC MUSEUM!

The Fremont Historic Museum will be open on Saturday September 20th from 3:00 to 5:00 pm. The Museum is located at 8 Beede Road and admission is FREE.

Fremont was originally a part of Exeter between 1638 and 1742. When Brentwood separated from Exeter, we became part of Brentwood until June 22, 1764 when POPLIN (now Fremont)

was separated from Brentwood and incorporated as its own town. The name Poplin was changed to Fremont on July 8, 1854 in honor of General John C. Fremont - the Great American West Pathfinder/Explorer during the 1840's and 1850's.

The first settlers in Fremont came as early as the 1720's. Black Rocks Mill in Black Rocks Village (now Fremont Village) was established in 1726/27 and used until the early 1920's.

Visit the Museum and learn more about the many mills, stores, businesses, prominent people and families, riots, fires, celebrations, tragedies, weather disasters, etc. that have all made Fremont such a historic and colorful town. For more information please contact FHS President Matthew Thomas at 895 4032.

FALL FOLIAGE HIKE - SAVE THE DATE

The Fremont Open Space Advisory Group and the Fremont Conservation Commission are holding the Fall Foliage Hike on Saturday, October 18th at 1:30 pm. The hike will showcase the NEW Cooperage Trail, which has recently been completed. The trail is a wide, gentle, 1/2 mile path (1 mile round trip) connecting the back of the cooperage housing development with Beede Hill Road. It is well suited for a wide range of walkers! Come check out the new trail and learn about how it came to be. DIRECTIONS: From Main Street (Rt. 107) take Spaulding Road all the way to the end to the cul-de-sac.

For the second part of our hike, we will relocate to the Glen Oakes Town Forest at the end of Andreski Drive (Take Main Street to Copp Drive, left on Andreski Drive). Arriving there about 2:30, we will explore the Homestead trail loop to see the effects of last winter's logging and to learn about its benefits. This 1 1/4 mile walk should be finished by 3:30 pm. Glen Oakes Town Forest has been funded and protected, in part, with assistance from the NH Land and Community Heritage and Investment Program (LCHIP) and by the NH State Conservation Committee's License Plate (Moose Plate) grant program.

SEPTEMBER 9 is the NH PRIMARY.
See inside for voting information.

POLITICAL ADVERTISING SIGNS

NH RSA 664:17 Placement and Removal of Political Advertising:

"No political advertising shall be placed on or affixed to any public property including highway rights-of-way or private property without the owner's consent. The candidate shall remove all political advertising no later than the second Friday following the election unless the election is a primary and the advertising concerns a candidate who is a winner in the primary. Signs shall not be placed on or affixed to utility poles or highway signs. Political advertising may be placed within State-owned rights-of-way as long as the advertising does not obstruct the safe flow of traffic and the advertising is placed with the consent of the owner of the land over which the right-of-way passes.

No person shall remove, deface, or knowingly destroy any political advertising which is placed on or affixed to public property or any private property except the owner of the property, persons authorized by the owner of the property, or a law enforcement officer removing improper advertising. State, City, or Town Maintenance or Law Enforcement Personnel may remove political advertising placed on or affixed to any public property. Political advertising removed prior to election day by state, city, or town maintenance or law enforcement personnel shall be kept for one week at a place designated by the state, city, or town so that the candidate may retrieve the items.

As it pertains to the highway right-of-way provision, the Fremont Board of Selectmen, after consultation with the Fremont Town Clerk and Moderator, has outlined the following guidelines:

1. No political signs shall be placed on Town Property outside of the road right-of-way.
2. Within the road right-of-way [generally 13 feet from the edge of pavement or travel way], signs may only be placed with the direct abutter's permission. This refers to the abutter on that side of the street.
3. At the polling entrance, unattended political signs may be placed only on the actual polling day during open polling hours [7:00 am to 8:00 pm]; and only in the designated area as determined by the Moderator. The designated area will be appropriately marked and placed in an area that will not obstruct or hinder the safe flow of traffic. (This designated area allows the Town of Fremont to abide by the Attorney General's rules). Signs shall be removed immediately following the election.
4. A candidate or the candidate's representative must attend all other signs which will be permitted in an area designated by the Moderator in accordance with RSA 659:43.

If you have any polling-related questions, please call the Town Clerk at 603 895 8693.

The Town of Fremont designates the Fremont Safety Complex as the storage location for any political advertising signs removed for improper placement; or those found after having been displaced by

wind or weather conditions. Contact the Town Clerk or the Town Moderator Michael Rydeen for further information.
