FREMONT IMPROVES TOWN FOREST TRAILS

Sam Harris, Fremont Open Space Advisory Group volunteer, inspects the new metal blazes he was helping to install in the Oak Ridge Town Forest. A blaze is a trail marker painted on trees alongside a trail. The painted blazes have to be repainted every few years. The metal blazes should require less maintenance and they are installed with logger-friendly aluminum nails.

ROCKINGHAM MPO LOOKING for a FREMONT TAC REPRESENTATIVE

The Rockingham Metropolitan Planning Organization (Rockingham MPO) is a federally designated entity that administers the urban transportation planning process for the 26 communities of the Rockingham Planning Commission. This organization is staff by the Rockingham Planning Commission and has two standing committees on which each of the communities has representation. The Transportation Advisory Committee (TAC), which has one appointed member from each community; and the Policy Committee which is composed of the community appointed RPC Commissioners as well as regional, state, and federal planning partners.

The purpose of the TAC is to provide technical advice and recommendations to the Policy Committee concerning transportation issues that have a bearing on the region. Specifically, this often involves prioritizing transportation improvement, reviewing studies, and providing input to New Hampshire DOT and other agencies. The TAC does not establish policies for the organization, but makes recommendations to the Policy Committee in that regard. This letter is to ensure that each of the RPC communities are represented on the Transportation Advisory Committee and provide the opportunity for a community to appoint a person to the TAC if the position is vacant or the current appointee can no longer participate.

TAC members are often town/city planners, planning board members, public works employees or other members of community leadership. Citizens particularly interested in transportation issues have also been appointed as well.

TAC meetings are normally held approximately six times a year on the fourth Thursday of the month at 9:00 am, at the Rockingham Planning Commission offices in Exeter. The meeting usually lasts for 2 hours. Meeting times and days are reviewed occasionally to ensure that the schedule remains workable for committee members. If this may interest you as a way to get involved in local transportation planning, please contact Heidi Carlson at 895 2226 x 10 or by email at FremontTA@comcast.net as soon as possible.

APPOINTMENT PROCEDURES FOR COMMISSIONER REPRESENTATIVE TO THE ROCKINGHAM PLANNING COMMISSION INTERESTED PERSONS SOUGHT

The Town of Fremont is seeking individuals interested in becoming Town Representatives to the Rockingham Planning Commission. As governed by RSA 36:46-III; Commissioners are appointed by Selectmen for four year terms (except when more than one position is filled at once in which case the terms are staggered).

The Planning Board nominates a representative commissioner for consideration by the Selectmen and the Selectmen make the appointment. The Planning Commission is then informed in writing by the Selectmen of the appointment. The date of appointment, name, address, telephone number and e-mail address of the newly appointed commissioner should be included in the notification letter.

If you are interested, please contact the Fremont Planning Board to express your interest, or send an email to FremontPZ@comcast.net or FremontTA@comcast.net. You can also fill out a Volunteer Form from the Town's website and mail, email or drop it off at the Town Hall.

YOUR JOB AS A COMMISSIONER

Just what is your role as a regional planning commissioner?

It is twofold: 1) to govern the Commission through decision-making and policy setting, with the staff carrying out your decisions; and 2) to communicate regularly between the Commission and the town or city you represent so that the town is aware of Commission activities and the Commission is aware of local issues and concerns.

What kinds of decision of Commissioners make?

- You decide on the nature and scope of the Commission's regional and local work programs.
- You decide on the Commission's annual operating budget-the monies to be spent to support the work activities outlined in the work program.
- You decide what the Commission's policies will be in specific areas like natural resources, land use, local technical assistance, water resources, housing, transportation, recreation and open space. The policies in turn govern the work effort.

- You decide whether the Commission participates in proposed new projects.
- You approve salary levels for the Commission staff.
- You represent the interests of the community that appointed you at Commission meetings. You carry back to your community news of Commission activities and relay your community's concerns and desires to the Commission.
- You review staff-produced plans and reports and ask for revisions or additional staff work.
- You set policy for and determine Commission administrative and personnel procedures.

When do you participate in the decision-making?

At monthly Commission meetings. Commission meetings are held on the second Wednesday of each month at the Commission's office and at locations that rotate to different communities in the region. (There are usually no meetings in August and December). In addition, an Executive Committee meets monthly and is empowered to make decisions about the operation of the Commission within the prescribed limited outlined in the by-laws. Some Commission meetings (about four per year) are also designated as MPO Policy meetings at which non-member towns and certain state and federal agencies involved with transportation are included in the decision making.
