PUBLIC HEARING NOTICE

In accordance with NH RSA 675:3, you are hereby notified that the Fremont Planning Board will hold a Public Hearing on December 1, 2021 at 7:00 pm at the Fremont Town Hall basement meeting room, for review of the following proposed amendments to the Town of Fremont New Hampshire Zoning Ordinance:

Article 11: Amend the limitations on number bedrooms/family units for multiple unit dwellings by allowing two bedrooms/family units for 5 or more family units. This amendment would eliminate the restriction of one bedroom/family unit for 7 to 8 family unit dwellings and clarify the allowable bedrooms for more than 8 family unit dwellings.

Article 9: Removal of example language in Section 902. The example language is not applicable for a lot on which two (2) family units are considered and the existing language is sufficiently clear.

A copy of the detailed language is available on the Town's website on the Planning Board page, or at the Fremont Town Hall during regular business hours. You are invited to attend the hearing, in person, by counsel or agent. Written comment will be accepted up until the date of the Hearing. Contact Leanne Miner at (603) 895-3200 x 306 or at landuse@fremont.nh.gov with any questions. FREMONT CHRISTMAS GIVING TREE

The Fremont Christmas Giving Tree needs your continued support to help brighten the holiday for Fremont residents in need. Sponsored by the People's United Methodist Church of

Fremont, in partnership with the Fremont Public Library and the Town of Fremont, the goal is to provide gifts for children in need in our town. We are also reaching out to senior citizens that may need a little help to brighten their Christmas as well.

The way it works is really simple. You can make someone's Christmas brighter by taking an "ornament" off the Christmas Trees posted on the bulletin boards at the Fremont Public Library or People's United Methodist Church and purchasing the gift. Each ornament will have a requested gift. Simply take the ornament, purchase the gift, and return it (unwrapped) to either the Library or Church by Friday, December 10, 2021. If you would like the gift picked up, please contact Jodi Donahue at jodi_donahue@comcast.net or at 603 734 2412.

If you are a family that needs some assistance from the Fremont Giving Tree or know of one, please contact Jodi Donahue no later than Wednesday, December 1, 2021.

You can also help the Giving Tree by making a cash donation or donating new Christmas wrapping paper, tape or bows. Please make checks payable to: PUMC, PO Box 150, Fremont, NH 03044 and write "Christmas Giving Tree" on the memo line.

This event has been successful through the years because of the generosity, loving kindness and support of our community. For more information, please reach out to Jodi Donahue or Pastor Tony Fallisi at pastor.tony.fallisi@gmail.com or call 724 612 6901.

WREATHS ACROSS AMERICA SHEPHERD'S HOOKS

If you've walked through Fremont's cemeteries recently you may have noticed shepherd's hooks on our 216 veterans' gravesites. These shepherd's hooks, which hold hanging plants, will hold wreaths honoring veterans during the holiday season as a part of the Wreaths Across America Program in Fremont.

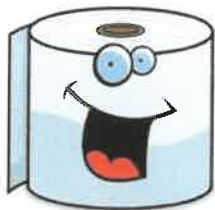

usually
our

Walmart Distribution Center in Raymond, NH provided a grant to purchase the hooks for the purpose of holding the wreaths that family members, friends, community members and local businesses sponsor. One of our sponsors suggested that the wreaths be displayed so that everyone could see them. We are so grateful to our sponsor and to Walmart for helping us honor our veterans in this very special way.

This missions project of the People's United Methodist Church not only serves to honor and remember our veterans who have passed on but is also a fundraiser to support two homeless veterans' centers, Liberty House in Manchester, NH and the Veterans' Northeast Outreach Center in Haverhill, MA. Wreaths cost \$15. Ten dollars pays for the construction and delivery of the wreaths. The remaining five dollars is given to the homeless veterans' centers.

Sponsorship forms are located at the town hall, the library, and the Peoples' United Methodist Church. If you'd like to sponsor a wreath over the phone, please call Gerry Tilley at 603 479 0798. Thanks!

WHO WANTS TO TALK ABOUT POOP?

Usually, nobody wants to talk about poop. Or see it or smell it. That's why we have toilets that flush that stuff away. But what happens to it then? Well, if you live in

a rural community like Fremont, it goes into your septic tank along with wastewater from your laundry, your dishwasher and your bathtub drain.

So, who wants to talk about septic tanks? Usually, nobody wants to talk (or think) about them either. Fortunately, there are professionals in our area that think about septic systems a lot! To keep your septic system working properly for a very long time, you need to contact one of those professionals every two years and have them pump out your septic tank. It's quick and easy and then you don't have to think about it again for another two years! Check out this link for more information on this important but often overlooked task: <https://getpumpednh.com/>

Otherwise, you could end up talking to your neighbors about the poop smell emanating from your failed septic system!! Please see the flyer reprinted in the Newsletter which was put together by the NH Department of Environmental Services and is being promoted by our local rivers committee.

This Article submitted by Ellen Douglas, a Fremont Representative to the Exeter River Local Advisory Committee.

LAND USE BOARDS NEED VOLUNTEERS!

There is still a vacancy for a voting member on the Planning Board and alternative vacancies on all the Land Use Boards including Planning Board, Zoning Board of Adjustment, and Conservation Commission. If you are interested in getting involved

in community issues and making decisions that shape our community, come see what we are all about!

Positions involve review of documents such as subdivision applications or variance requests, attendance at regular evening meetings, dedication, and desire to gain knowledge of the Town's regulations, ordinances and procedures.

Interested? Start attending meetings and consider joining a Board as an Alternate Member to gain experience and knowledge of Town Regulations and become a full and valued member of a Board. Contact Leanne Miner at 603 895 3200 x 306, or email landuse@fremont.nh.gov for more information. You can also check out what is happening at our meetings on the Town's website, FCTV, or Vimeo.

Recycle Beyond the Bag

Grocery bags, bread bags, case overwrap, dry cleaning bags, newspaper sleeves, ice bags, wood pellet bags, zip lock & other re-sealable bags, produce bags, bubble wrap, salt bags, and cereal bags. *All materials must be clean, dry and free of food residue.*

Recycle your household bags & wrap into Trex's Earth-Friendly Composite Decking and Railing! Drop off box located in front of the Town Hall.

TOTERS & RECYCLING

The toter collection system has helped to increase recycling and

SAVE TAX DOLLARS. One toter is distributed per household and all of your trash must be in that toter to be collected.

All trash must be bagged before putting it in your toter. This helps to eliminate trash from blowing and separating.

- Trash and recycling should be at the curb by 6:30 am on your collection day.
- NO YARD WASTE is allowed for pickup. This includes grass clippings, leaves, and brush. Look for other acceptable ways to compost this material. Start a compost pile in your yard and create good soil material from scraps!
- NO HAZARDOUS MATERIALS are allowed for pickup.
- Trash will not be retrieved from sheds beside the road.
- No construction debris of any kind is accepted for pickup. Consider making arrangements for a dumpster or the Best Way facility in Raymond for your disposal needs. The You can also try the Bestway Facility at 603 895 6273 for more information on bulky items you may be able to take there.

Waste Management has three basic rules for recycling.

1. Recycle clean bottles, cans, paper and cardboard.
2. Keep food and liquid out of your recycling.
3. No loose plastic bags and no bagged recyclables.

Also, a reminder to not put paper recycling out in the rain. For a detailed list of what is acceptable for recycling go to the Town Website Fremont.nh.gov under recycling for more information. **Waste Management asks that recycle bins not weigh more than 40 pounds** as they need to lift these containers by hand. Placing multiple bins for recycling is acceptable.

WHY SHOULD I PUMP?
Every home generates wastewater – via toilets, showers, sink drains, and dish and clothes washers – which must be treated and disposed of properly to protect human health and the environment.

WHEN SHOULD I PUMP?
Don't wait for a failure! Septic tanks should be inspected or pumped every **3-5 years**. Get Pumped today!

Only contact a NHDES-licensed septage hauler. Visit getpumpednh.com to find a New Hampshire Association of Septage Haulers (NHASH) member in your area.

COMMUNITY MESSAGE
Our community cares about clean water and is doing its part to help prevent water pollution in local waterways. This outreach message helps our community meet US Environmental Protection Agency (EPA) requirements (including as part of the MS4 program) to share pollution prevention information with its residents.

PROTECT YOUR FAMILY
If your septic system gets clogged with too much solid waste, it can force the wastewater to back up into your house... it can also overwhelm your leach field, which will turn your yard into a soggy mess. The bacteria in wastewater are not just smelly – they are also a health hazard!

PROTECT YOUR COMMUNITY
If a septic system fails, untreated wastewater can run off into local lakes, ponds or streams, negatively impacting water quality, wildlife and community enjoyment of the water body.

PROTECT YOUR WALLET
Getting your tank pumped costs about **\$250-\$500** every **3-5 years**. If you have a failure, it could cost you **\$6,000-\$15,000** to **replace** or **repair** your system.

GET PUMPED! New Hampshire

No butts about it – a septic system **failure** can impact your family, community and wallet.

DO I HAVE A SEPTIC SYSTEM?

You most likely have a septic system if:

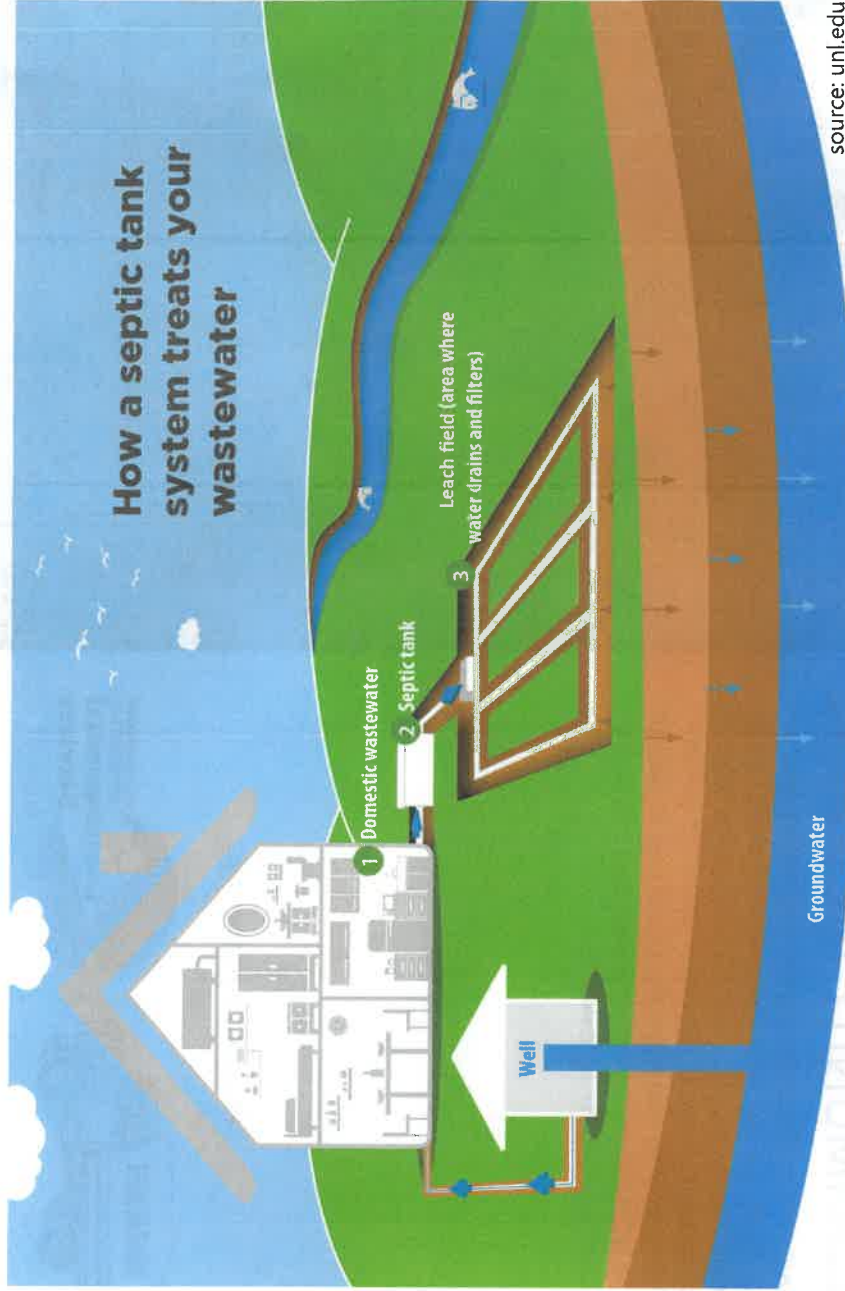

- You are on well water and you don't pay a water or sewer utility bill.
- Your neighbors have septic systems.

HOW DO I FIND MY SEPTIC?

- Check your yard for lids or manhole covers.
- Have a **NHDES-licensed seepage hauler** to help you find the system.
- Request records through the **NHDES Subsurface Systems File and Archive online form**.

HOW DOES IT WORK?

1 Whatever goes down the drain is your **domestic wastewater**. All drains in your house lead to one large drainage pipe that empties into your septic tank.

2 The **septic tank** is a buried, water-tight container, usually made of concrete or polyethylene. It holds the wastewater long enough for solids to settle to the bottom, while oils and grease float to the top. Special compartments keep the solids from flowing into the leach field.

3 Liquid wastewater leaves the tank and enters the **leach field**, where special pipes allow the water to slowly seep into the surrounding soil, naturally removing harmful bacteria, viruses and nutrients before it re-enters the groundwater.

SEPTIC SYSTEM MAINTENANCE

It's not just about pumping! Here are every-day things you can do to help maintain your system.

- **Conserve water** Fix leaky faucets and toilets to prevent washing away the healthy bacteria your system needs.
- **Space out water use** Spreading out washing machine loads and other large water uses (showers, dishwashers, etc.) gives your system a chance to work between loads.
- **Only flush human waste and toilet paper** "Flushable" may only mean that it fits down the drain... if in doubt, throw it out.
- **Don't park or drive on your system** This can easily damage the septic system.
