

## REPORT OF THE FREMONT PUBLIC LIBRARY

In 2009 the Fremont Public Library has seen continued growth. In these tough economic conditions the Library is a great asset for the residents. The Librarian, Barbara Bassett does a great job of making sure that the Library is always stocked with the current bestsellers. Now you can access the library catalog on the library website, [www.fremontlibrary.org](http://www.fremontlibrary.org). You can also download audio books from our website.

The summer reading program continues to be our major event in the children's department. This is a six week theme-based program designed to get children excited about reading. During the summer months any reading that a child does, better prepares him/her for success upon returning to school in the fall.

Programs in the community room continue to attract residents and will continue in 2010. The Friends of the Library have a great knack for finding entertaining subjects and people to keep the programs going, also in finding new things year after year. We also have many civic groups in town that use this room on a regular basis.

The Library held two major fund raisers in 2009. The Friends of the Library held their annual book sale. This year they held it for a week and it was very successful. I would like to thank all the Friends of the Library. Also this year, was the 9<sup>th</sup> annual golf tournament. Thank you to all the players and sponsors for helping me make this year happen. Thank you once again to Fremont Pizzeria on the lunch, the Friends of the Library for desserts, and to the Stroples who are always there when we need them. Thank you. The 10<sup>th</sup> annual tournament will be this September and everyone is invited. We hope to make it the best yet.

In closing, I would like to recognize my fellow trustees, Eric Abney and Meredith Patrick; all of our staff Barb Bassett, Lynda Miller, Cathy Murdock, Marlene Emery, Haley Bassett and Dick Rand.

Respectfully submitted,

John Hennelly  
Chairman  
Fremont Library Trustees
