

MISSION STATEMENT

The mission of the Fremont Police Department is to protect our residents and all those who pass through our community by establishing high standards of impartial and professional law enforcement. We, as dedicated officers, must learn from the past, meet the present challenge and plan for the future.

2011 was a demanding year. We saw an increase in patrol activity; including 6271 calls for service, there was 1448 motor vehicles stopped that resulted in 103 summonses and 1345 warnings being issued. We arrested 111 individuals, had 214 court cases. As the Town of Fremont continues to grow, the strain on all emergency services also continues to grow.

As I reported in last year's annual report once again one of our own was called to duty and asked to serve our country. Sergeant Jason Larochelle a member of the 197th Field Artillery Brigade stationed in Manchester has returned and is once again serving the residents of the town. This was Jason's second deployment while he has been a member of the Fremont Police Department.

REMEMBER, YOUR BEST DEFENSE IS THE ABILITY OF YOU AND YOUR NEIGHBORS TO RECOGNIZE A POSSIBLE PROBLEM AND CALLING THE POLICE DEPARTMENT TO CHECK IT.

If you observe a crime or if it happens to you, be alert to what you observe and make mental notes of what you see and hear. It will help you maintain your presence of mind as well as helping the police later. Report a crime immediately. Time is a factor in apprehending a criminal and even a few minutes delay can mean his/her escape. But remember your safety comes FIRST.

Fremont is experiencing the same problems as many of our surrounding communities. We have seen an increase in the number of DAY TIME residential burglaries. Please be observant if you see any thing that seems suspicious call the Police Department. Keep an eye on your neighborhood. If you see a car, van or truck parked in a neighbor's yard and you do not think it belongs there, call us, let us check it. The vehicle may belong but if it does not you may save a neighbor and a friend a lot of heartache and aggravation.

When you leave your residence be sure to lock the doors and windows. If you are going to be gone for an extended period of time, come into the Police Department or go on to our web site obtain a "**Vacant House Check Form**" fill the form out and bring it to the police station. We will check your property while you are away. Be sure to cancel your mail and paper deliveries.

Leave a light on a timer, to give the residence the look that some one is home. Tell a neighbor you will be away.

An important part of our mission is our interaction with the children of the town, this is done many ways. We wish it could all be positive but there are time when it is not. We are blessed with a group of special people who call themselves

"Giving Hands."

They give of themselves to make others happy. Countless hours are spent making special stuffed animals to give to a child, to help ease the trauma from a negative contact. Members of the group not shown in the photograph, Mary Kaltenbach, Ellie O'Keefe, Julie Walton, Audrey Wagner, June Leach, Dot Ketchum, Marianne Mitchell, Dawn Kalgren, and Laura Silke.

A positive contact with our children includes tours of the Safety Complex. A child gets to meet with and talk to a police officer. The child is shown the equipment and some of the processes that are used in our every day duties. We welcome this type of activity

Officer Huard

With assistance from other Police Department members, and Fire/Rescue Department members, Sergeant Larochelle and Officer Huard were able to coordinate the 10th annual Santa Parade. We want to express a special thanks to Santa and his Elves and all other participants for taking time out of their busy schedules to be in our parade. It was an event that brought smiles to the young and old.

The Town of Fremont has adopted a number of ordinances, including Registering Alarm Systems, Dogs, Loud Unusual or Unnecessary noise, Parking, Snow Removal, Public Drinking, Speed Limits, Thru Trucking. To help you understand each ordinance a complete copy of each ordinance is available by going to the Town of Fremont web site. www.fremont.nh.gov.

The Police Department maintains a database that alerts us to persons with special needs in the event of an emergency, such as the need for power for life support and persons who need

special vehicles or are unable to leave their residence without assistance during an evacuation. This information is kept strictly confidential and is only available to the Safety Services responding to the event.

The forms needed for registering as a person with special needs along with the request for a Vacant House check and registering your alarm system, are available at the Safety Complex, or can be downloaded from our website www.fremontnhpd.com.

Our community service program coordinated by Deputy Chief Bassett seen below planting trees in the safety complex yard continues to beautify our town. The workers have picked up “tons” of trash that has been discarded along our streets.

Deputy Chief Bassett

With the continuing financial support of many of our residents and local businesses, the cooperation and dedication of the staff at the Ellis School, and Mary Wheaton-Pinder of the Fremont Police Department, we are once again able to offer the DARE (Drug Abuse Resistance Education) Program. The DARE Program started in the Ellis School in the fall of 1993. It is a 10-week program that is taught by a full time police officer that has completed a DARE instructor's program. Due to circumstances beyond our control we were not able to offer the program in 2009. In June 2009 Greg Huard became a member of the Fremont Police Department. Greg is a certified DARE instructor and he taught grades 5 and 6 this year. This included the class that did not receive the instruction in 2009.

To the residents of Fremont, the Board of Selectmen, the Town Office Staff, the members of the Fire Department, Rescue Squad, Highway Department and the members of the Police Department: Administrative Assistant Mary Wheaton-Pinder, Deputy Chief Reese Bassett, Sergeant Jason Larochelle, Corporal Robert Allore, Detective Adam Raymond, Officers Joseph Gordon, Jason Grant, Scott Cole, Renee King, Gregory Huard, Derek Franek, Andrew Artimovich, and Lindsey Cunningham THANK YOU for your continued support and cooperation.

RESPECT, HONOR, REMEMBER

Respectfully submitted,

"Freedom is never more than one generation away from extinction. We didn't pass it on to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children what it was once like in the United States when men were free."
