

Southeast Regional Refuse Disposal District 53B

The Southeast Regional Refuse Disposal District was established in 1988 under RSA Chapter 53-B. The District is authorized to provide four facilities: recycling, landfill, septage, and waste-to-energy. Each member municipality can participate in one or more of the District's facilities and the various costs and expenses are apportioned among the members.

The District is presently made up of ten member towns: Brentwood, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown and South Hampton. It is intended that the interests of all member municipalities, be they large or small, be protected. Also provided is flexibility in developing solutions to joint solid waste problems.

In 2011 the Household Hazardous Waste Day events were held on May 21, 2011 in Hampton, and on September 24, 2011 in Brentwood. Both events were very successful with Hampton serving 389 cars, representing 416 households and Brentwood serving 246 cars, representing 279 households.

SRRDD started out its 2011-2012 fiscal year on April 1, 2011 with an Operating Budget of \$22,720.00. The December 31, 2011 financial reports show expenditures to date of \$7950.19 with 65.01% remaining. The Household Hazardous Waste Day budget was set at \$29,800.00. As of December 31, 2011 \$731.95 remained in that budget, or 2.46%.

The financial statements presented by auditors Weidema and Lavin, CPAs, PA, confirmed a surplus as of March 31, 2011 of \$31,524.00.

I would like to thank all the representatives and alternates from all the member towns for their participation and efforts over the past year.

Respectfully submitted,

Everett (Bud) Jordan
Chairman
Southeast Regional Refuse Disposal District 53B
