

## Report of the Fremont Zoning Board of Adjustment

In 2011 the Zoning Board of Adjustment convened for a total of 11 monthly meetings. There was no quorum for the February meeting. We addressed 3 requested actions and conducted 2 site visits which resulted in the following actions.

Date	Case #	Map / Parcel	Application	Final Status
May 24	11-001-A	Map 3 Lot 062	Variance	Granted
May 24	11-001-B	Map 3 Lot 062	Special Exception	Withdrawn
September 27	11-002	Map 3 Lot 177.003	Special Exception	Granted

### *Purpose of the Zoning Board of Adjustment*

The purpose of the Zoning Board of Adjustment is to hear and make decisions relative to Appeals from Administrative Decisions, Special Exceptions, Variances and Equitable Waivers of Dimensional Requirements. Appeals for a rehearing are also part of the Board's responsibility.

### *Applications, Public Hearings, Site Visits and Decisions:*

Each zoning application is carefully reviewed and considered by the Zoning Board of Adjustment Members. The Board typically meets at least three (3) times for each application request.

1. First there is a duly noticed Public Hearing held at the Fremont Town Hall. This Public Hearing gives the applicant the opportunity to present his/her case and for Board Members, the public and abutters to become informed of the applicants request and to ask questions and convey any concerns. Continuation dates are usually chosen by the Board at this Public Hearing for a Site Visit and to resume the meeting at the Town Hall.
2. The Site Visit is helpful in that it allows the Members to visualize how the request might fit to the property and terrain.
3. Back to the Town Hall to continue the application presentation and for a possible decision.
4. Sometimes, depending on the scope of the case or time constraints, there can be further continuations of the Public Hearing before a decision is rendered.

### *Work Sessions:*

In addition to hearing the cases that came before the Board, we held several "work sessions" on regularly scheduled meeting nights. The work sessions are an important learning curve for the Members of the Zoning Board of Adjustment because they allow for discussions and further understanding about the responsibilities and obligations of being a ZBA Member. The work sessions also give the Members a chance to discuss and review:

- The criteria for the forms of zoning relief including Variance, Special Exception, Equitable Waiver of Dimensional Requirements and Appeal From Administrative Decision. Each of these has a very legal and unique set of conditions and procedure.
- All legal updates to the Zoning Board of Adjustment.
- Recent court decisions and how they would, or could, affect Fremont.

Special appreciation and acknowledgement goes to our Land Use Administrative Assistant Meredith Bolduc, who keeps us informed of all pertinent legal updates and changes that may affect the ZBA and Fremont. The Land Use Office is essential to each Board to maintain continuity between all the Land Use Boards including the ZBA, Planning Board and Conservation Commission. Meredith continues to keep the ZBA and the Land Use Office operating efficiently and effectively in a professional manner.

Our gratitude is extended to the Members who continue to volunteer their time and efforts to serve on the Town of Fremont Zoning Board of Adjustment. Their commitment and dedication to voluntarily serve the Town does not go unnoticed.
