Library	Library HVAC replacement	\$31,667.00	Committed	Committed up to (to pay balance of contract if needed)
Uncommitted balance		\$21,963.94		As of 01/25/2023 for Annual Report

The Town held two Public Hearings when each share of the ARPA funds were received. The funds will remain in the Town's account until spent, and we will update this report annually with any changes/completed projects until funds have been exhausted.

*The new fire tank truck Warrant Article only asks for \$405,000 of the total truck cost (\$505,000). ARPA funds are handled with the Public Hearing process for acceptance and expenditure, thus not included in the appropriation for the Warrant Article.
