Fremont Community Television is a public access channel open to town residents and is not a government channel. Our operating budget is funded through a franchise fee from Comcast television subscribers and used primarily to fund and maintain equipment as well as continue paying stipends to ensure that all local government meetings are broadcast (generally 9-11 meetings per month).

Meetings held in the Town Hall Basement were both broadcast live on FCTV Channels 13 & 22 as well as livestreamed on our Vimeo channel at [www.vimeo.com/fctv22](http://www.vimeo.com/fctv22). For the first time, we livestreamed the Town and School Deliberative sessions in February and the program portion of the Memorial Day Parade in May.

Also, the station's Vimeo channel includes an online and easy-to-access library which holds recordings of recent meetings and events; older meetings are always available upon request.

During the year the FCTV Facebook page continued to post a weekly schedule of the station's upcoming live television broadcasts. Also, to increase awareness in the community, town slides pertaining to upcoming events and general town information are now posted on this page as well.

Currently in production are a series of short videos on Fremont history. Fremont Town Historian Matthew Thomas has generously given his time and worked closely on this project. The initial videos will debut this year.

If you would like to volunteer and/or help develop Fremont Community Television's future, contact the Town Administrator Heidi Carlson, at 603 895 3200 x 301 or myself at FCTV at 603 895 3200 x 312.

Sincerely,

Bill Millios

Fremont Community Television Coordinator
